

Mandate for the steering group

Written by Admin
Monday, 25 July 2011 09:02

Draft composition, mandate and guidelines for the steering group (to be finalized on the steering group's meeting on September 16th).

The steering group manages the project within the framework of Norwegian legislation and the EU guidelines for the project. The board is made up of representatives from the following organisations:

- Østfold County Council, 3 representatives
- The Baltic Region Healthy Cities Association: 1 representative
- Amata Municipality, 2 representatives
- Vidzeme Planning Region, 1 representative
